Kitty Kotty

helps to clean

Media Rodzina

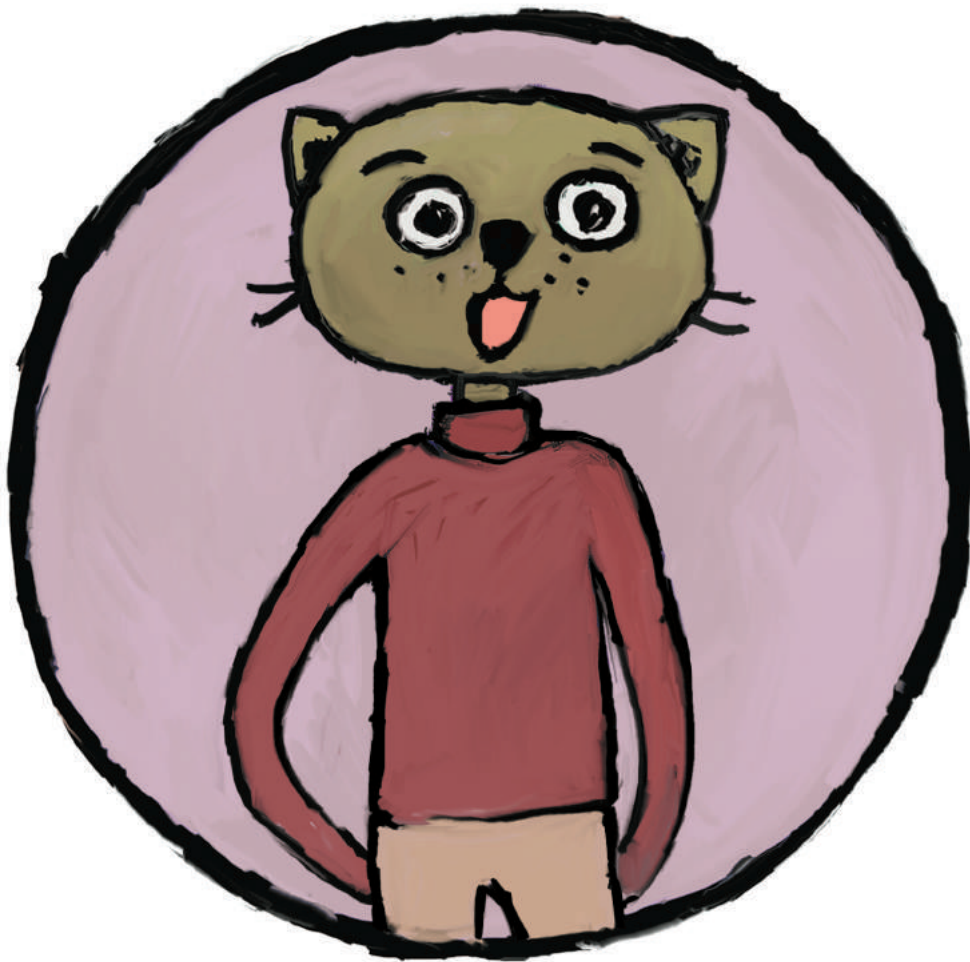

"What a mess!" said Dad, when he came into Kitty Kotty's room. Kitty Kotty is surprised. Only things that are necessary are in the room. Kitty Kotty has been playing school, so the crocodile, the doll and the policeman are sitting on the rug.

Kitty Kotty has been
drawing, so some crayons
are under her desk.

Kitty Kotty has been building a castle, so some
books are scattered around her bed.
Oh! There are still the socks!
Kitty Kotty has been using socks as hats.

"Time to clean up," says Dad. "The mid-morning snack is soon, and then we'll go for a walk."
